Healthcare Schemes, Subsidies & Patient Benefits

Quality Care, More Support for You

DR+ MEDICAL & PAINCARE

Various government schemes help make primary care more affordable. Here's a quick guide to see who qualifies, what's covered and how much support you can receive at our clinic.

CHAS Subsidy

					
WHAT IT COVERS	Selected chronic conditions; eligible screening and vaccinations. No CHAS Acute subsidy	Acute illnesses, selected chronic conditions; eligible screening and vaccinations	Acute illnesses, selected chronic conditions; eligible screening and vaccinations	Acute illnesses, selected chronic conditions; eligible screening and vaccinations	Acute illnesses, selected chronic conditions; eligible screening and vaccinations

	MEDISAVE flexi	MEDISAVE 500	MEDISAVE 700
WHO IS ELIGBLE	Patients aged 60 and above	Patients with eligible chronic conditions	Patients with eligible chronic conditions
WHAT IT COVERS	Eligible outpatient services at participating healthcare facilities	Approved chronic disease treatments and selected preventive care	Approved chronic disease treatments and selected preventive care
WITHDRAWAL LIMITS	Up to $400 per patient/year	Up to $500 per patient/year	Up to $700 per patient/year
OTHER INFORMATION	Can use own or eligible spouse's MediSave	Subject to applicable co-payment rules and available MediSave balance	Subject to applicable co-payment rules and available MediSave balance
IMPORTANT	Additional to applicable outpatient MediSave withdrawal limits	MediSave500/700 claims generally require a 15% cash co-payment, with an exception for eligible treatment at the patient's enrolled Healthier SG clinic.	

HEALTHIER SG, SCREENING & VACCINATION

Healthier SG is a preventive-care enrolment programme, not a single annual subsidy.
Enrolled residents may receive a fully subsidised first Health Plan consultation and eligible nationally recommended vaccinations at their enrolled clinic, subject to criteria.

HSG SCREENING		  	
CO-PAYMENT	$0	$2	$5

Present CHAS / MG / PG identification or request eligibility verification at a participating clinic.
Clinic staff check covered treatment, scheme activation, remaining limits/balance and claim rules.:
Information is for general reference only. Subsidies, eligibility criteria and benefits are subject to prevailing government guidelines and participating clinic arrangements.
